

## **Coming this Spring to a Garden Near You!**

These beauties will be arriving in late February early March when we'll pot them up to be ready for the garden in June!

Figure 1: Dahlia Orange King (Dark Foliage - ball type)

Figure 2: Dahlia 'Mambo' (anemone type)

Figure 3: Dahlia Bishop of Llandaff (dark foliage - tall singles)

Figure 4: Dahlia Cafe au Lait (giant dinner plate)

Thank you for everything, Mom! Words can't express just how much you mean to me. Your unwavering support and daily chats (even when we disagree!) are a highlight of each and every day. How lucky are we to have a relationship like this? Love you to the moon and back!

Shauna xoxo
